TWT Assignment

What is WhatsApp?

WhatsApp is a free messaging application that allows users to communicate using the internet. You can share texts, voice messages, images, videos, location, documents, and links quickly and securely. Messages and calls are protected with end-to-end encryption, which means only the sender and the receiver can read or hear them. You can also update status, and back up chat history to the cloud. The app can also be accessed on a computer through WhatsApp Web or the desktop app. Task: How to share a picture with a contact on WhatsApp

No	Steps	Yes/No
1	Open WhatsApp on your phone	Yes
2	Tap the chat of the contact you want to send the picture to	No
3	Tap the Attach icon (paperclip on Android or plus icon on iPhone)	Yes
4	Select Gallery or Photos	No
5	Choose the picture you want to share. (Optional) Add a caption to the picture	Yes
6	Tap the Send icon	

Note: The origin of the sitar we know today is credited to Amir Khusrau, an 18th-century fakir.

Assignment 1 (Arthi Phillips)

Write a page about one feature of MS Teams. Overview: In Microsoft Teams meetings, the chat feature allows participants to communicate and share information. It enables interaction without interrupting the current speaker or disrupting the flow of the discussion.

Accessibility:

1. Join a Microsoft Teams meeting.
2. Select the Chat icon from the meeting controls.

3. Type your message and press Enter to send it. (Optional) Format the message using the editor.
Participants who join the meeting late can view earlier messages. The chat history remains available after the meeting ends.
4. The Chat feature helps maintain an organized meeting by allowing communication without verbal interruptions. It also encourages participation from users who may prefer typing over speaking and provides a written record of discussions and shared resources. Example use cases
5. Sending introductory greetings during a new or first session.
 1. test
6. Posting answers during a multi-group online Q&A session.
7. Notifying participants about audio or connectivity issues.
8. Sharing links or documents during the meeting.
